

CSHCS ALERT #11-2014 - Updated Effective dates and retroactive coverage policy  
Tue 5/13/2014

Attached is the final bulletin re: CSHCS effective date and retroactive coverage policy. The policy update creates a single method for determining CSHCS effective dates and retroactive dates. This replaces the policy that established different methods for dates based upon client circumstances. This policy is effective immediately. GM language (Section 10.1) will be updated in the next release of the GM. Thanks!

If you have any questions, please contact your county CSS analyst. Thank you.
